Read Before Installing or Using PDP–11 C

AV–NA47D–TC

Please take time to read the following information about PDP–11 C, Version 1.2.

Description

PDP–11 C, Version 1.2 is a C language processor for Digital's major operating systems on the PDP–11. The language processor is hosted native on VAX/VMS, RSX–11M–PLUS, RSX–11M, Micro/RSX, RSTS/E, and RT–11. Target systems are RSX–11M–PLUS, RSX–11M, RSX–11S, Micro/RSX, RSTS/E, RT–11 and VAX–11 RSX. PDP–11 C is highly compatible with the ANSI Standard for the C language.

Installation Information

PDP–11 C, Version 1.2 requires one of the following operating systems.

- RT–11 Version 5.5

- RSTS/E Version 10.0

- RSX–11M (mapped) Version 4.6

- RSX–11M–PLUS Version 4.3

- Micro/RSX Version 4.3

- VMS Version 5.4

Release Notes Information

The release notes for PDP–11 C Version 1.2 contain the latest information on enhancements, software errors, corrections of errors, known problems or restrictions and problem reporting.

You should read the release notes before installing PDP–11 C. For information on how to access the release notes, see the *Installation Guide*.

Contents of This Kit

- **Indented Bill Report (BIL) and Bill of Materials (BOM)**

  Please read the BIL and BOM enclosed in this kit, and check to see that all listed items are actually in your kit. If your kit is damaged or has missing parts, contact your Digital customer services representative.

- **Media**

  This kit includes any media you have ordered. The *Installation Guide* which accompanies this kit explains how to install PDP–11 C on the supported operating systems.

- **Documentation**

  The documentation set consists of the following manuals:

  > *Guide to PDP–11 C*
  > *Run-Time Library Reference Manual*
  > *Installation Guide*

- **Software Product Description (SPD)**

  The SPD provides an official description of the PDP–11 C software and its features.

- **Software Performance Report form (SPR)**

  Use the SPR form to report any problems with PDP–11 C.

- **Product Authorization Key (PAK)**

  If you ordered a VMS kit, the kit includes a Product Authorization Key. This paper certificate contains information about the license you must have in order to run the product on a VMS system.

A Final Note

Digital prides itself on responding to customer needs. In order to serve your needs better, we need your comments. Each manual you receive contains a preaddressed, postage-paid Reader's Comments form at the back. If you find errors in a manual or want to make comments about it, please fill out this form and send it to us.
